

The Commitment

The Commitment

Our relationship with you is one founded on service, value, quality products, and trust - and we recognize your value to **PawSpa Resort**. We make a commitment to you by investing our time and expertise in your business and work with you to take your vision to reality.

With your **PawSpa Resort** business, you will have

- A continually expanding list of approved national and brand name products.
- Current, pet-specific technology to implement a successful business concept.
- Facility designs enhancing and maximizing your marketing experience.
- Professional website design offering national and international exposure.

You experience the benefits made available through the **PawSpa Resort** concept enhancing your business success. Now is the time to commit to this pet-care vision in a \$40 billion industry. When you become a **PawSpa Resort** owner you commit to

- operating a clean, fun, and profitable **PawSpa Resort**.
- agree to participate in the **PawSpa Resort** vision within established operational criteria.
- aggressively promote your business.
- adhere to our guidelines and business concept.
